

# SmithRx Connect

Connecting you to the lowest cost prescription solutions

## SmithRx can help lower your drug costs

*Did you know your local retail pharmacy may not always be the lowest cost option?*

SmithRx Connect can help you navigate alternative sources and supports you throughout the process. The result, you will save money as many of these programs require little to no co-payment on your medication. We'll do the work so you can stay healthy and happy.

### Patient Assistance Programs

Many high cost specialty medications can be accessed through Patient Assistance Programs. SmithRx will help you navigate through the process while you reduce out of pocket costs on the medications that work for you.

### CoPay Coupon Maximization

Did you know it's possible to leverage additional savings on traditional branded medications? If Patient Assistance is not available, our team will work with preferred pharmacy partners to capture coupon savings through our Copay Max program.

### International Sourcing

Our contracted network of international pharmacies helps members obtain medications at a lower cost. The international network dispenses select medications from first-tier countries to ensure product purity and safety. If you are using a medication that qualifies, our team can work with you on the potential to source your medication internationally.
